### LEGEND ACTS TO ENFORCE ITS CONTRACT WITH EAST COAST MINERALS

1. Legend Mining Limited (LML) announces that it has issued proceedings in the Supreme Court of Western Australia, today, naming East Coast Minerals NL (ECM) as defendant, to enforce the contract whereby ECM agreed in writing to sell to LML 60% of the Munni Munni Joint Venture, thus building LML's interest to 90%.
2. LML will now make application to the Supreme Court to have the action expedited, and has received legal advice to the effect that the trial could take place in a matter of months.
