Explanatory Statement

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolutions in the accompanying Notice of Annual General Meeting. This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary.

1 Financial Statements and Reports

The financial report, Directors' report and auditor's report for the Company for the year ending 31 December 2006 will be laid before the meeting.

There is no requirement for Shareholders to approve these reports. However, the Chairman will allow a reasonable opportunity for Shareholders to ask questions or make comments about those reports and the management of the Company. Shareholders will also be given a reasonable opportunity to ask the auditor questions about the conduct of the audit and the preparation and content of the auditor's report.

In addition to taking questions at the meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- the preparation and content of the auditor's report;
- the conduct of the audit;
- accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the auditor in relation to the conduct of the audit

may be submitted no later than 5 business days before the meeting date to Greg Meyerowitz of Ernst & Young (refer to the Corporate Directory).

2 Adoption of Remuneration Report

The Remuneration Report of the Company for the financial year ending 31 December 2006 is set out in the Director's report on pages 27 to 31 of the Annual Report.

The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors and executive employees of the Company.

A reasonable opportunity will be given for the discussion of the Remuneration Report at the meeting. Shareholders should note that the vote on this resolution is advisory only and does not bind the Company or the Directors.

3 Election of Directors

In accordance with Listing Rule 14.4 and clause 12.2 of the Constitution, at every Annual General Meeting, one third of the Directors for the time being must retire from office and

are eligible for re-election. The Directors to retire are to be those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement. Mr Atkins is required to retire, as a result.

4 Ratification of Previous Issue of Shares (Resolution 3)

On 21 and 27 December 2006 the Company issued 62,500,000 Shares at \$0.08 per Share to sophisticated and professional investors being clients of Bell Potter Securities Limited and Findlay & Co Stockbrokers Limited.

Resolution 3 therefore seeks approval under Listing Rule 7.4 to ratify the issue of 62,500,000 Shares for the purposes of Listing Rule 7.1, which provides generally that a company may not issue shares equal to more than 15% of the Company's issued share capital in any 12 months without obtaining shareholder approval. Although the issue of 62,500,000 Shares did not exceed this amount, seeking approval under the Listing Rules allows for the Company in future to issue a further 15% of its issued capital without further reference to the Shares issued under this resolution.

Listing Rule 7.5 requires the Company to provide the following information to Shareholders in order to obtain Shareholder approval pursuant to Listing Rule 7.4:

- the number of Shares issued was 62,500,000;
- the Shares were issued to clients of Bell Potter Securities Limited and Findlay & Co Stockbrokers Limited;
- the Shares were issued at an issue price of \$0.08 per share;
- the Shares rank equally in all respects with all of the existing ordinary Shares on issue; and
- the funds raised are being used to progress the testing of known VTEM targets at the Company's Pilbara project, for exploration on the Company's exploration projects and general working capital.

5 Approval of Employee Share Option Plan No. 2 (Resolution 4)

The Company proposes to adopt a fresh Employee Share Option Plan No. 2 ("Plan"), pursuant to which the Company can issue Options to eligible Participants in order to provide them with an incentive to deliver growth and value to all Shareholders. A complete copy of the Plan is available free of charge on request. This replaces the employee share option plan which was approved by the Shareholders in general meeting on 28 May 2004, with immediate effect.

Shareholder approval is sought for the issue of the Options to eligible employees of the Company for the purposes of Exception 9(b) of Listing Rule 7.2. If approval is given, Options issued under the Plan will be exempt from counting towards the 15% of the

issued capital of the Company that can be issued in any 12 month period without Shareholding approval under Listing Rule 7.1.

Summary of the Plan

The Board introduced the Plan for the purpose of providing Participants with an additional incentive to work to improve the performance of the Company, attracting and retaining personnel essential for the continued growth and development of the Company, promoting and fostering loyalty and support amongst Company personnel for the benefit of the Company and enhancing the relationship between the Company and Participants for the long term mutual benefit of all parties.

The Plan satisfies certain ASIC class order conditions, relieving the Company from the obligation to issue a prospectus for the offer of Options to Participants other than consultants under the Plan. Offers of Options under the Plan which are made to consultants will constitute excluded offers under section 708(12) of the Corporations Act which exempts the Company from the obligation to issue a Prospectus.

- (a) Each Option entitles the holder, on exercise, to one Share.
- (b) Shares issued on exercise of Options will rank equally with other Shares.
- (c) An Option may only be exercised after that Option has vested, after any conditions associated with the exercise of the Option are satisfied and before its expiry date. The Board may determine the vesting period, which will be not less than 12 months. On the grant of an Option the Board may in its absolute discretion impose other conditions on the exercise of an Option.
- (d) The Exercise Price of each Option issued under the Plan will be determined by the Board when it resolves to offer the Options, and will be not less than 80% of the average closing sale price of the Shares on ASX over the five trading days immediately preceding the day of the announcement of the issue of Options by the Board.
- (e) The expiry date of an Option will be determined by the Board, and will be no later than 5 years after the date of issue.
- (f) An Option will lapse immediately upon the first to occur of its expiry date or the holder acting fraudulently or dishonestly in relation to the Company, or 30 days after certain conditions associated with a party acquiring a 90% interest in the Shares of the Company.
- (g) An Option will lapse 30 days after voluntary resignation from employment or engagement by the holder.
- (h) An Option will lapse six months after the death, permanent disability or redundancy of the holder.
- (i) If the Company enters into a scheme of arrangement, a takeover bid is made for the Company's Shares, or a party acquires a sufficient interest in the Company to enable them to replace the Board (or the Board forms the view that one of those

events is likely to occur) then the Board may declare an Option to be free of any conditions of exercise. Options which are so declared may be exercised at any time on or before they lapse.

- (j) Options may not be transferred other than to a nominee of the holder. Quotation of Options on ASX will not be sought. However, the Company will apply to ASX for official quotation of Shares issued on the exercise of Options.
- (k) There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options. However, the Company will ensure that the record date for determining entitlements to any such issue will be at least 9 Business Days after the issue is announced.
- (l) If the Company makes an issue of Shares to Shareholders by way of capitalisation of profits or reserves ("**Bonus Issue**"), each Optionholder holding any Options which have not expired at the time of the record date for determining entitlements to the Bonus Issue shall be entitled to have issued to him upon exercise of any of those Options, the number of Shares which would have been issued under the Bonus Issue ("**Bonus Shares**") to a person registered as holding the same number of Shares as that number of Shares to which the Optionholder may subscribe for, pursuant to the exercise of those Options immediately before the record date determining entitlements under the Bonus Issue (in addition to the Shares which he or she is otherwise entitled to have issued to him or her upon such exercise).
- (m) In the event of any reconstruction (including a consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the expiry of any Options, the number of Options to which each Optionholder is entitled or the exercise price of his or her Options or both or any other terms will be reconstructed in a manner determined by the Board which complies with the provisions of the Listing Rules.
- (n) As at the date of this Meeting, no Options have been issued under the Employee Share Option Plan No. 2.

6 Approval for appointment of auditors (Resolution 5)

The Company has retained the incumbent audit firm Ernst & Young for several years. As part of its normal corporate governance procedures the board reviewed the audit engagement, resulting in the proposal to appoint Stantons International.

Chester Nominees WA Pty Ltd, a shareholder of the company, has nominated Stantons International to be appointed as Auditor (see Chester Nominees letter dated 5 April 2007 attached to this Notice). Having received consent to act as Auditor from Stantons International, Shareholders are asked to vote on their appointment.

(a) Share Capital

All issued Shares rank equally in all respects.

(b) Voting Rights

At a general meeting of the Company, every holder of Shares present in person, by an attorney, representative or proxy has one vote on a show of hands and on a poll, one vote for every fully paid share held, and for every contributing share held, a fraction of a vote equal to the proportion which the amount paid up bears to the total issue price of the contributing share.

(c) Dividend Rights

Subject to the rights of holders of Shares issued with any special or preferential rights (at present there are none), the profits of the Company which the Directors may from time to time determine to distribute by way of dividend are divisible among the Shareholders in proportion to the Shares held by them respectively, according to the amount paid up or credited as paid up on the Shares.

(i) General Meeting

Each Shareholder will be entitled to receive notice of, and to attend and vote at, general meetings of the Company and to receive notices, accounts and other documents required to be furnished to Shareholders under the Constitution, the Corporations Act and Listing Rules.

2.2 Price of Options

Options are to be issued to Participants for nil consideration.

2.3 Issue of Options

Each Option must be issued on the terms of these Rules and each Participant will be taken to have agreed to be bound by these Rules on acceptance by that Participant of an Option.

3 MAXIMUM NUMBER OF OPTIONS

3.1 5% Limit

Subject to **clause 3.2** of these Rules, an Option may not be issued if, immediately following its issue, the Shares to be received on exercise of the Option when aggregated with:

- (a) the number of Shares in the same Share class which would be issued if each outstanding offer of Shares and Options under the Plan or any other employee incentive scheme of the Company were accepted or exercised; and
- (b) the number of Shares in the same class issued during the previous 5 years under the Plan or any other employee incentive scheme of the Company extended to full-time or part-time employees or consultants of the Company or an Associated Body Corporate,

exceeds 5% of the total number of issued Shares in that Share class of the Company at the time the Option is offered, provided that the Board may, in its absolute discretion, increase this percentage, subject to any applicable Corporations Act, Listing Rule (including the conditions and restrictions on issuing securities in Listing Rule 7.1) or Class Order requirements.

4 OPTIONS TERMS

4.1 Terms

An Option must be granted in accordance with these Rules or such other additional terms, conditions or restrictions which are not inconsistent with these Rules, as the Board determines either generally or in relation to particular Options.

4.2 Variation of Terms

Despite anything to the contrary in these Rules, to the full extent permissible by the Listing Rules and law, the Board may from time to time vary the Exercise Price, the period in which an Option may be exercised and the conditions to which an Option is subject, provided such Options have not yet been offered and accepted by a Participant.

5 OVERRIDING RESTRICTIONS ON ISSUE AND EXERCISE

Notwithstanding anything else in these Rules or in the terms of any Option, an Option may not be offered, issued, or exercised if to do so:

- (a) would contravene the Corporations Act or the Listing Rules; or
- (b) would contravene the local laws of, or the rules or requirements of any regulatory or statutory body in, a Participant's country of residence or in the opinion of the Board compliance with those local laws, rules or requirements would be impractical or result in any unnecessary or unreasonable expense in the circumstances.

6 ADMINISTRATION OF THE PLAN

6.1 Delegation

The Plan shall be in all respects administered under the directions of the Board or a committee of the Board. The Board or committee may appoint, for the proper

administration and management of the Plan, such secretarial or executives or staff or other persons as it considers desirable and may delegate to those persons such powers and authorities as may be necessary or desirable for the administration and management of the Plan.

6.2 Procedures

Subject to these Rules, the Board may make such regulations and establish such procedures for the administration and management of the Plan as it considers appropriate. If any disagreement or dispute with respect to the interpretation of these Rules or the terms of grant of any Option arises, such disagreement or dispute shall be referred to the Board and the decision of the Board shall, in the absence of manifest error, be final and binding upon all parties.

6.3 Covenant or exercise of discretion

The Company or an Associated Body Corporate or the Board may, subject to any express provision in these Rules, the Listing Rules or the Corporations Act to the contrary:

- (a) do any act, matter or thing or make any decision, determination or resolution; or

7 ADVICE

7.1 Adjustment to Number of Shares

The Company shall give notice to each Participant of any adjustment to the Exercise Price or the number of Shares which the Participant is entitled to subscribe for on exercise of an Option, in accordance with the Listing Rules.

7.2 Market and Exercise Price

The Company will provide to a Participant upon request, within a reasonable time, either verbally or in writing, details of the current market price (in Australian dollars) of the Shares and details of the Exercise Price in relation to Options held by that Participant.

8 ENTITLEMENT

8.1 Each Option entitles the holder to subscribe for and be issued, credited as fully paid, the number of Shares specified in the Option.

8.2 The Exercise Price shall be as determined by the Board (in its discretion) on or before the Issue Date provided that in no event shall the Exercise Price be less than 80% of the average closing sale price of the Shares on ASX over the 5 trading days immediately preceding the date of the announcement of the issue of the Options by the Board.

- 8.3 Subject to these Rules, the Company shall issue Shares on exercise of an Option in accordance with the Listing Rules and shall cause a holding statement to be issued for Shares so issued within 10 Business Days after the date of exercise of the relevant Option.
- 8.4 Shares issued on the exercise of Options will rank pari passu with all existing Shares in the capital of the Company from the date of issue of those Shares.

9 EXERCISE OF OPTIONS

9.1 An Option is exercisable by the holder lodging with the Company Secretary:

- (a) a notice of exercise of that Option in the form attached to the Rules;
- (b) a cheque for the total Exercise Price; and
- (c) the Optionholder's SRN.

In the event of the death of a holder of Options, those Options are exercisable by the executor of the estate of the holder in the same manner as set out above.

9.2 An Option must be exercised (if at all) not later than its Expiry Date and, subject to this **clause 9**, may only be exercised at any time after the Option has vested and before its Expiry Date. The Board may determine (in its absolute discretion) any further conditions of exercise consistent with these Rules that apply to an Option. The exercise of some Options only does not affect the Participant's right to exercise other Options at a later time. If the Participant exercises less than all Options appearing in the Optionholder's holding statement, then the Company will cause a replacement holding statement to be issued.

9.3 The Board will from time to time determine the time periods after which the Options issued will vest in the Optionholder and the percentage of Options issued which will vest at each particular time. All Options will be subject to a minimum 12 month vesting period.

9.4 An Option held by a Participant will lapse upon the first to occur of:

- (a) its Expiry Date; or
- (b) the making by the Board of a determination that:
 - (i) the Participant has acted fraudulently, dishonestly or in breach of the Participant's obligations to the Company or an Associated Body Corporate; and
 - (ii) the Option is on that account to be forfeited;
- (c) 30 days following any person or corporation having a relevant interest in not less than 90% of the Shares;
- (d) 10 days following the Company issuing a notice of meeting convening a meeting of Shareholders in order to enter into a scheme of arrangement (pursuant to the provisions of the Corporations Act) which, if implemented would result in a

person or corporation having a relevant interest in not less than 90% of the Shares;

- (e) 6 months after the day the Participant ceases to be employed or engaged by the Company or an Associated Body Corporate by virtue of:
 - (i) the Participant's death;
 - (ii) the Participant's permanent illness or permanent physical or mental incapacity (as certified by a medical practitioner who is approved in writing by the Board); or
 - (iii) the Participant being retrenched or made redundant by the Company or an Associated Body Corporate (other than as a direct result of the disposal or sale of the Company or Associated Body Corporate); and
- (f) 30 days following the Participant ceasing to be employed or engaged by the Company or an Associated Body Corporate (or such later date that the Board determines in its absolute discretion) by virtue of the Participant resigning voluntarily.

9.5 If, in the opinion of the Board, a Change of Control Event has occurred, or is likely to occur, the Board may declare an Option to be free of any conditions of exercise and Options which are so declared may be exercised at any time and in any number, subject to **clause 9**.

9.6 If any person or corporation having a relevant interest in not less than 90% of the Shares of the Company issues a notice of meeting convening a meeting of Shareholders in order to enter into a scheme of arrangement (pursuant to the provisions of the Corporations Act) which, if implemented would result in a person or corporation having a relevant interest in not less than 90% of the Shares, all Options shall be free of any conditions of exercise and may be exercised at any time and in any number, subject to **clause 9**.

10 TRANSFER

An Option is personal to the Participant to whom it was granted, and the Participant may not sell, transfer or otherwise dispose of, or make a declaration of trust in respect of, it except:

- (a) to a nominee of that Participant; or
- (b) during a Takeover Period, in which case the Options may only be transferred by the Participant to the bidder or its nominees in accordance with the Corporations Act.

11 QUOTATION OF OPTIONS AND SHARES

Options will not be listed for quotation on ASX, however, the Company will make application for official quotation of Shares issued on the exercise of options to ASX and to each other stock exchange on which Shares are listed at the time.

12 FUTURE ISSUES OF SHARES

12.1 New Issues

There are no participating rights or entitlements inherent in the Options and Participants will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options. However, the Company will ensure that the record date for determining entitlements to any such issue will be at least 9 Business Days after the issue is announced. Participants shall be afforded the opportunity to exercise all Options which they are entitled to exercise pursuant to these Rules prior to the date for determining entitlements to participate in any such issue.

12.2 Bonus Issues

If the Company makes an issue of Shares to the holders of Shares in the Company by way of capitalisation of profits or reserves ("**Bonus Issue**"), each Participant holding any Options which have not expired at the time of the record date for determining entitlements to the Bonus Issue shall be entitled to have issued to him upon exercise of any of those Options the number of Shares which would have been issued under the Bonus Issue ("**Bonus Shares**") to a person registered as holding the same number of Shares as that number of Shares to which the Participant may subscribe for, pursuant to the exercise of those Options immediately before the record date determining entitlements under the Bonus Issue (in addition to the Shares which he or she is otherwise entitled to have issued to him or her upon such exercise). The Bonus Shares will be paid by the Company out of profits or reserves (as the case may be) in the same manner as was applied in relation to the Bonus Issue and upon issue rank pari passu in all respects with the other Shares issued upon exercise of the Options.

13 RECONSTRUCTION OF CAPITAL

In the event of any reconstruction (including a consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the expiry of any Options, the number of Options to which each Participant is entitled or the Exercise Price of his or her Options or both or any other terms will be reconstructed in a manner determined by the Board which complies with the provisions of the Listing Rules.

14 NOTICES

Notices may be given by the Company to the Participant in the manner prescribed by the constitution of the Company for the giving of notices to members of the Company and the relevant provisions of the constitution of the Company apply with all necessary modification to notices to Participants.

15 RIGHT TO ACCOUNTS

Where expressly requested, Participants will be sent all reports and accounts required to be laid before members of the Company in general meeting and all notices of general

meetings of members. Participants will not have any right to attend or vote at those meetings.

16 COMPANY'S RIGHTS NOT WAIVED

- 16.1 The Company's right to terminate or vary the terms of employment or engagement of any Participant shall not be prejudiced in any way by the Company or any Participant participating in the Plan or anything contained in these Rules or both. Further, participation in the Plan, the rights or benefits of a Participant under these Rules or the inability or restricted ability of a Participant to exercise an Option or any of them, shall not be used as grounds for granting or increasing damages in any action brought by any Participant against the Company whether in respect of any alleged wrongful dismissal, termination or otherwise.
- 16.2 None of the Company, its directors, officers or employees represents that the Company's share price will attain, maintain or exceed the Exercise Price. A Participant who chooses to exercise any Option does so at his own risk in that he may suffer financial detriment if the Company's share price falls.

17 GOVERNING LAW

This Plan and these Rules shall in all respects be governed by and shall be construed in accordance with the laws of Western Australia.

18 SEVERANCE

If any provision in these Rules is void, voidable by any party or illegal, it shall be read down so as to be valid and enforceable or, if it cannot be so read down, the provision (or where possible, the offending words) shall be severed from these Rules without affecting the validity, legality or enforceability of the remaining provisions (or parts of those provisions) of these Rules which shall continue in full force and effect.

19 SUSPENSION OR TERMINATION OF THE PLAN

The Board may suspend or terminate the Plan at any time, in which case the Company shall not make any further grants of Options under the Plan during the suspended or terminated period. However, during that period the Board shall otherwise continue to administer the Plan in accordance with these Rules until all Options have been exercised or expired.
