MUNNI MUNNI JOINT VENTURE

East Coast Minerals N.L. (66^{2/3}%) Legend Mining Limited (33^{1/3}%)

A drilling program has been organised and we expect the drilling crew to arrive Saturday 2nd October. The targets are the anomalies discovered through an E.M. survey. The aim is to find Nickel/Copper, Silver and Platinum targets.

During the last Joint Venture meeting on 6th June 2004 our Joint Venture partner, Legend Mining Ltd, agreed to contribute its share of the program.

ON BEHALF OF THE BOARD OF
EAST COAST MINERALS N.L.

L. WHITE
Chairman

30 September 2004

The information on mineralisation contained in this report accurately reflects information compiled by a Competent Person (as defined by the Australian Code for Reporting of Identified Mineral Resources and Ore Reserves) with relevant experience in relation to such mineralisation.
